Leo and Helen Wursthorn are parents to five children, and grandparents to 18 grandchildren, plus one in heaven. The family of the Church is their second main ministry, particularly through their work with Marriage Encounter. Leo and Helen have held various leadership roles in Australia and have represented Australia and the Pacific region internationally within Marriage Encounter. They have worked with a team of couples and priests for over 25 years in supporting marriages, always believing that couples can improve their marriage by investing time in it, for the greater glory of God.
