# A Prayer for International Women's Day 2024

## **Praise be to God!**

For the women who have gone before us.

- For the women of our ancient Scriptures.
- For the Church Mothers, Saints and all wise women of God.
- For creative women - the great inventors, artists, architects, authors, musicians, gardeners, meal-makers and life givers.
- For all women who fought for justice and peace in our world.
- For all the women we loved who now sleep in the peace of Christ.

We give God thanks.

## **Praise be to God!**

For the women of today.

- For Spirit-filled women who nurture our faith.
- For women who fight for justice and peace in our world.
- For the women who lead us – in their own unique ways.
- For the women who heal and nourish – our bodies, our souls, our minds.
- For the women who protect – our land, our children and all created things.

We give God thanks.

## **Praise be to God!**

For the women of tomorrow.

- That they will come to know and love Jesus.
- That they will find a world where all Your creation is loved and cared for.
- That justice and peace will flourish in their time.
- That their world will cherish every life.
- That their gifts will be accepted and celebrated.

For this we pray. Amen
